**Additional info:**

A) We are committed to provide you the best services and hospitality, for this reason we have personally tested and experienced in advance, in every aspect, all the tours that we offer, starting from the reliability of qualified drivers, the accommodations of the hotels, and the competence of local guides. To all intents and purposes we have already searched, discovered, and acquired knowledge of what we propose.

B) For all the length of the tours that we organized, we can assure our assistance and accompanying, apart from the support of local guides.

C) All the itineraries can be personalized and modulated in advance, to suit your budget and your individual needs and desires. At your request, changing prices we will choose hotels of highest or lower standard, and we will curtail or prolong the tours, taking care of the time and of the budget at your disposal, and during the course of the trips, thanks to our qualified and reliable drivers we assure all the disposable time for visiting and scouting monuments and interesting places, or if you like to attend an extra time, for example for following feasts or ceremonies, or for knowing ethnical practices and customs.

D) For all the agreed time the guides should be at complete disposal and service of the travellers, for all eventuality and in case of need. At all the guides it's strictly forbidden to invite the travellers to enter in every shop and to escort them to make shopping without the explicit request of the travellers. The guides should also use with great moderation the mobiles.

The travellers should absolutely respect the responsibility of the guides and of the drivers escorting them, but they are absolutely free to turn to the guides as they need and please.

E) Starting from first contact we can give You all practical information, and detailed estimates of prices and fees, in their seasonal fluctuation.

F) Particularly We can offer the accompanying of a Italian leader tour
